Vivo S1 represents the target of young consumers who are energetic, stylish and always keep up with the latest trends. It comes with a range of excellent features such as: In-Display Fingerprint Scanning Technology, 32MP AI Selfie Camera, 4500mAh big battery with Dual-Engine Fast Charging, AI Triple Rear Camera, and stylish design with a choice of Diamond Black and Skyline Blue colors.

Below are some key specifications of the brand new vivo S1:-

- In-display fingerprint Scanning Technology
- 32MP AI Selfie Camera
- 4,500 mAh Battery
- AI Triple Camera

Since launching its In-Display Fingerprint Scanning technology, vivo has been leading the industry in bringing consumers a better unlocking experience. With just a single touch on your S1 display, the screen can be unlocked swiftly. A variety of animation effects are also available, which makes unlocking the phone easy and fun.

Vivo S1 features an industry-leading 32MP front camera. The Ultra HD resolution allows you to take selfies with high clarity and precise details. It also comes with multiple selfie modes, such as AI Face Beauty, Selfie Frontlight, AR Stickers, AI Filter, etc., which makes selfie-taking enjoyable and fun.

Other than the 32MP AI Selfie Camera, vivo S1 also features a 4,500mAh battery, which comes with Vivo's unique technology Dual-Engine Fast Charging. Leave your power bank at home and focus on making the most of your day.

Vivo S1 allows you to shoot with enhanced accuracy and precision. AI Portrait Framing helps you in better composition to achieve a perfect ratio, and brings you more fun in every snapshot of your life moments. AI Super Wide-Angle Camera expands your view to 120°, so you can capture more landscape, more of your friends and a more beautiful world. In group photos, camera will automatically switch to Super Wide-Angle mode for a wider range.

A promotional banner for the Vivo S1 smartphone. The banner features the Vivo logo in the top left corner. The main title 'S1' is in a large, stylized font. Below it, the slogan 'Unlock Your Style' is followed by 'In-Display Fingerprint Scanning | 32MP AI Selfie'. The specifications '6.38" / 32MP / 4500mAh' are listed, with subtext 'Halo FullView™ Display', '32MP AI Front Camera', and '4500mAh Battery • 2x Fast Charging'. A large 'PRE-ORDER' text is prominently displayed. Below this, it says 'FREE S1 Limited Mystery Gifts worth RM150 upon Pre-Order'. At the bottom, logos for Vivo, Lazada, Shopee, and Presto! are shown. On the right side, three Vivo S1 smartphones are shown: one in blue, one in black, and one in a dark blue/black color with a colorful abstract pattern on the screen. The background is a light blue gradient with a subtle reflection effect.
