FREE S1 Limited Mystery Gifts worth RM150 upon Pre-Order

vivo Malaysia has opened pre-orders for their new vivo S1 smartphone ahead of its official launch this Wednesday (July 24). That also means nothing was left to the imagination. The phone will be priced at **RM1,099** and the full specs revealed.

If you have been following the teasers, you knew that the S1 offers an in-display fingerprint, three cameras at the back (16MP main + 8MP super wide-angle lens + 5MP depth sensor) and a 4,500mAh battery in Diamond Black and Skyline Blue color options. It also features a 6.38-inch Full HD display with a resolution of 2340 x 1080 and a teardrop notch that houses a 32MP AI selfie camera (no pop-up cameras). In terms of processor, the S1 is powered by a Mediatek MT6768 chipset with 6GB RAM and 128GB of built-in storage. The dual-SIM device will be running Android 9 Pie with vivo's FuntouchOS on top.

Online pre-orders with exclusive free gifts worth RM149 are available on [Lazada](#), [Shopee](#) and [Presto Mall](#). Those interested may pay RM50 and get RM100 instead rebate. The vivo S1 will officially be available in-stores nationwide beginning July 27.
